

# YOU DON'T CUT CORNERS... BUT YOUR TRUCK SHOULD

The Freightliner Business Class M2. You don't cut corners in your business, but when it comes to delivering your product, your trucks need the agility to make each mile count. Featuring a 55-degree wheel cut, the Freightliner Business Class M2 delivers industry-leading maneuverability. This, along with panoramic visibility; low cab height; and easy entry and exit, makes the Business Class M2 a very smart choice for increasing productivity and profitability.
